

Announcement from Digital Agency

To the people entering Japan

Visit Japan Web

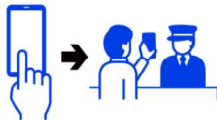

online service for quarantine, immigration and customs procedures

The “Fast Track” function provided through MySOS now has moved to the Visit Japan Website.

What is Fast Track?

By registering the required certificates before entering Japan, the Quarantine procedure can be smoothly done by just showing the screen at the airport.

Here is how to use
<https://vjw-lp.digital.go.jp/>

What is the Visit Japan Web ?

The Visit Japan Web is a web service that people entering Japan can use for Quarantine, Immigration, and Customs procedures.

This service is for both visitors and returning Japanese citizens.
